

Securing the Present

Innovating the Future

The Guardforce Story

Our journey of securing the past and the present, and innovating for the future

Since our inauguration in Hong Kong in 1977, Guardforce has evolved into a leading one-stop security service provider of innovative and customised security solutions, with strong presence in Hong Kong, Macau, Thailand and Australia.

Backed by parent company China Security & Fire Co., Limited (SH600654) since 2015, Guardforce furthers the mission of applying the latest technology to deliver reliable and professional world-class innovative solutions with functions beyond protecting lives and assets.

Throughout our 40-year history, Guardforce always strives to better meet customers' evolving needs, whether in our core services such as Cash-In-Transit, or through all other security services developed along the way, progressing to our recent development of leveraging innovative technology to provide cutting-edge solutions, such as Mobile Safe, Retail Analytic Solutions and Smart Face Guard for elderly care.

As we continue to empower and care for our most valuable asset – our elite force of 9,000 employees around the world, Guardforce continues to expand our global footprints and gear up for the future to capture the dynamic growth opportunities presented by China's One Belt One Road initiative and the advancement of technology.

1977-2015 Strong backing of a succession of parent companies

Guardforce was founded in 1977 with the vision of being the leading security provider serving the society with dedicated professionalism, while always putting customers first. Guardforce had been acquired by various companies throughout the years, each parent company helped to take Guardforce further in achieving our mission.

Expanding footprints and services

In 1986, Guardforce international Limited was established. Since then, Guardforce further expanded the geographical footprints overseas. Guardforce Macau and Guardforce Thailand were established during this period. The expanding regional presence consolidated our leading position as an Asia-based international security company.

加速擴展步伐，開拓服務領域

1986年，衛安國際有限公司成立，衛安向國際市場擴展。期間，衛安澳門及泰國公司相繼成立，衛安在亞太區的運作規模更龐大。衛安以亞太區為基地，邁向國際化，並鞏固業內領導地位。

More diversified services, such as international high-value items transport, investigation, courier, waste paper management, car park management and fire solutions, had been developed to cater for growing customer needs.

為配合客戶的需要，衛安陸續推出更多元化的服務，包括國際及跨境押運、偵查、速遞、廢置文件處理、停車場管理及消防方案等。

As Guardforce celebrates the milestone 40th Anniversary, the company will continue to evolve and expand its service scope and geographical footprints, in order to be in the most strategic position to respond to new demands of the markets and the customers, and capture dynamic growth opportunities presented by China's One Belt One Road initiative and the advancement of technology.

Our cyber security service was first launched in Thailand in 2017 specifically for our banking customers to protect virtual and intangible assets and data.

Guardforce has grown from a small company from 1977 to an international multi-services company at present. Guardforce looks forward to the future and continues to uphold the long-standing philosophy of delivering quality, professionalism and reliability for our customers.

衛安踏入40週年里程碑，將維持發展步伐，繼續擴展服務範圍及市場覆蓋面，務求佔據最有利的策略性位置，對應客戶及市場的需要，把握「一帶一路」及科技發展所帶來的發展機遇。

2017年，衛安泰國公司率先針對銀行客戶，推出網絡保安服務，以保障客戶的網絡資產及數據。

自1977年成立以來，衛安的規模不斷擴大，今日已發展為服務範圍廣闊的跨國企業。展望將來，衛安將秉持一貫使命，以客為本，提供優質、專業的服務，全面對應客戶的需要。
